

DINGHY CRUISING ASSOCIATION LIBRARY

LIBRARIAN - DOUG FORSTER

LIBRARY LIST - 2009

PLEASE NOTE:-

Outward postage is paid by the DCA, with the exception that overseas borrowers pay the difference between the actual cost and that which would have been payable if the same package had been sent to an address in the UK. The Borrower pays the return postage.

All publications may be borrowed for a maximum of 2 months, but I reserve the right to reduce this period should a particular item be in demand. Up to 2 books, or 10 bulletins, may be borrowed at any one time.

DCA Bulletins and Contents List

Back numbers of DCA Bulletins can be borrowed from the Library, and a Bulletin Contents List - updated after each new Bulletin is published - may be purchased from the Library at a cost of **£5.00** plus postage per copy; **free if sent by e-mail**. Updated pages are also available at **£0.05** each plus postage - again, **free if sent by e-mail**. A copy of the Contents List is in the Library, but it is not available for loan; I am quite happy to answer queries on it.

Further notes:-

- 1) Some of the charts and pilots are fairly old and none have been corrected in recent years.
- 2) Reference three of the sets of **Plans** under Section E, I am advised that they are essentially complete; if required, please ask me for details of the late Peter Bick's comments on them.
- 3) The details on boats listed under **Boat Types** are mostly just single sheets - of the kind that get picked up at Boat Shows; up-to-date copies are always welcome.
