

CHARENTE-MARITIME RALLY

We are planning the third edition of the Charente-Maritime Rally for September 2021 after the 2020 rally had to be cancelled. We are not sure, of course, whether it will be possible but are hoping that by then Covid restrictions will have come to an end.

Rally dates:

Saturday 4th September to Sunday 12th September 2021.

We plan to start, as before, at La Cayenne, Marennes in the Seudre estuary and visit Port Paradis, Fouras Sud, Le Douhet on the Ile d'Oléron, La Flotte and Ars-en-Ré on the Ile de Ré, La Rochelle and Bourcefranc-le-Chapus before returning to La Cayenne via the Plage de Gatseau. For those who have been before this plan offers three or four new destinations. There will be alternative options if this fairly ambitious plan has to be changed due to bad weather.

We will arrange secure parking for cars and trailers.

For reports of the two previous rallies see Dinghy Cruising 232 and 239.
